REVERSE VENDING MACHINE PERMIT APPLICATION

Prior to operating a reverse vending machine, prospective vendors must file an application for a permit, along with a non-refundable processing fee as detailed in the Planning and Development Services Fee Schedule, at least 20 days prior to the date requested for issuance of the permit.

Please provide your application via the City's online submittal portal, available at irvineready.com. If you have any questions about Reverse Vending Machine regulations, please contact the Planning Counter at 949-724-6308 or at planning@cityofirvine.org.
