

BE READY. STAY OPEN. RECOVER FASTER.

Emergency Preparedness Series for Businesses

Emergencies can strike without warning, but preparation can make all the difference. This three-part workshop series gives businesses the tools, strategies, and expert guidance needed to protect employees, minimize disruptions, and strengthen long-term resilience.

Each workshop covers a different critical aspect of preparedness. Attend one or all three to build and strengthen your business resilience strategy.

Upcoming Workshop

Emergency Response & Fire Safety

Thursday, July 16 | 8:30–11 a.m.

36 Executive Park, Suite 100, Irvine

Presented by the City of Irvine Office of Emergency Management and Orange County Fire Authority

Learn practical strategies to improve employee safety, strengthen emergency response procedures, and prepare your business for fires, natural disasters, and other unexpected emergencies.
