BOARD 1 POST-IT NOTES	
1	<b>Teens &amp; Homework help and college prep:</b> "Look at Irvine HS - Heritage Park Library Pipeline: teens use facility as study space A LOT (maybe probably more than adults?) You will see Portola HS (at) GP Library, the HIS effect is real"
2	<b>Group study/collaboration/music practice rooms and Media and technology lab: technology and digital skills:</b> "Both (music practice room + digital tech lab) work well with Library of Things (instruments, cameras, mics, etc.) Maybe a Library of Things corner with all of these?"
3	<b>E-library and digital materials:</b> (2 comments) 1) "Purchase subscription to CANDID / Foundation Center"; 2) "News subscriptions, i.e. NY Times, OC Register" "1 to 3 day free subscription"
4	<b>Dedicated outdoor learn/play space for kids next to the library:</b> "cool but maybe shouldn't come out of library funding? Would rather have programming, space, catalogue than another playground, just outside the library"
5	<b>Exhibition space:</b> "Irvine Exhibition & History & Research"
6	<b>Cooking and nutrition classes and demonstration kitchen:</b> "Irvine Fine Arts Center has a kitchen I believe? + IUSD at Creekside Education Center and most high schools CTE. Maybe work with them?"
BOARD 2 POST-IT NOTES	
1	<b>General:</b> "Reservable space for book clubs later in the day"
2	<b>Local history collection/special collections:</b> (3 comments) 1) "HISTORY ROOM"; 2) "Irvine Historical Society has copies of almost EVERY daily edition of Irvine World News from 1971 - 2007? Just sitting in their back room. Should be made public! Sounds like a perfect place." 3) "Include archival space for Irvine Master Plan documents unique to Irvine."
BOARD 3 POST-IT NOTES	
1	<b>Quiet reading room with comfortable seating:</b> "library could use separation between quiet/not quiet areas. Big complaint I hear is that the library is too loud now."
BOARD 4 POST-IT NOTES	
1	<b>Cafe/coffee shop:</b> "would love to see this at Heritage Park! Other retail/café options at Great Park but none around Heritage Park/University Park."
2	<b>Exhibition space:</b> (2 comments) 1) "imo just expand the Irvine Fine Arts Center or add to cultural terrace . . . not a priority for libraries (also there's already a proposal for the Laguna Museum of Art at Great Park Cultural Terrace or (smth) right?); 2) Irvine caters itself to many different art/tech studios. There should be a branch in supporting the arts by networking with these studios."
3	<b>Auditorium: guest speakers, film screenings, performance, and cultural events:</b> "kind of unrelated to libraries, but maybe instead of building new auditoriums the city could look into using IUSD's more? It has a lot and I don't think they're being constantly used/reserved especially Northwood and Irvine HS. Could look into expanding/using the City/IUSD Joint Facilities Agreement."
4	<b>Local history collection/special collections:</b> "would love to see local history but may be more fitting as a centerpiece of Bill Barber Library if it gets built (adjacent to City Hall). Maybe move it there if Great Park Library comes first. (P.S. please bring back local history collection to Heritage Park Library! Most images of America books, copy of Stockstill and Oliver's "Transforming the Irvine Ranch" and "A Time for People" + OC history books have
